

Days of my birth

By siyuki itaro

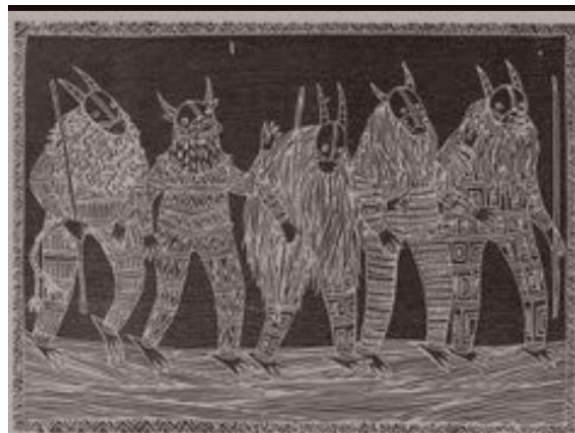

The dance of fool the jester

Jester day - Area of quite cold ,school feard ,functions here and
there,patriotism in air gets stuck in my throat
,zeal makes me shiver to not participate
And rising friends gets damn bad
Well this is the year start only

We men foregather and spend for love

Foregather day- it's lunar month! people screaming !!!!
maybe best in heaven but the bored assholes make it more feared
month,
the hell examinations approaching and time is wasted in thinking
only
-Fucking- month but keep them aside fuckness ,I foregather
everything

Martlet day-this is also stressful month ,heel /boots all goes in min'd.

But the atmosphere is really good but gets lit'le hot.real dumfol

triumph of world

Altar day-this is really Altar day. off stress you can't live but I live
in stress I'm the phobia is it no!!yes it's
I get relaxation in stress and to live it as it is

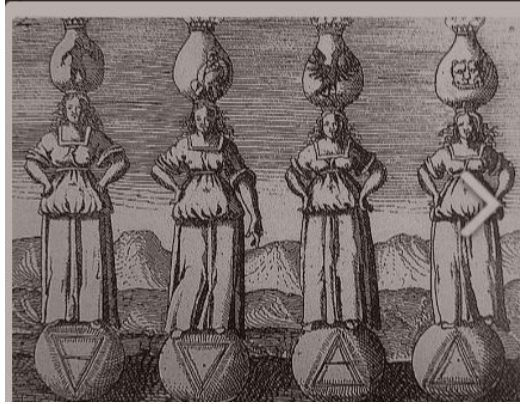

i love day and night

I am MISTLETOE walker

MISTLETOE DAY - hotness in sky but I love the summer it
should be the most spendable month the.fuckedmost money out of
my hind pocket. Spend as much you can
Cause it's like WrestleMania of my life.The MISTLETOE may you
leave the put graves in your mouth

Ceremony of bad

I make people feel it

Junto day-Badd day ,prince relaxation has lost his odour I can't
smell it

I really can't smell it

I can't

I can't tttttt.t he suckingNess loses his fate infront of me .I slay stress
and tension al in this place only who's there to disturb contents in
my min'd. Nah one lives there spend more get life more

I don't fear it

Jejune day-fuckingness ,day passing by just here and there so the
functions but should make yourself more godlike
Fuck everyone in everland

Functions giving fucking sense but I live in that making me crowded

Aurilave day- functions and rituals month lingering in my head
Ah! But I live in stress I will get Prince in my place make it my
prince stress . Clearing . my ear by fucking ladies and elders
Who cares!

Sachem love

Get a way with stress

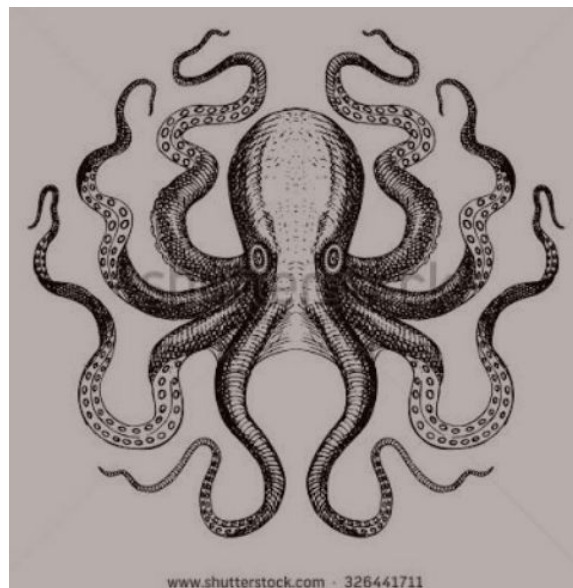

Sachem day -this is also fine day time is of festivals and hsz
roaming

Getting in my nerves but I feeeeh good .

I live in stress I make it my wige

Creep

Octopus day - octopus day true I loves octopus cause I freak by seeing them but Makin freak is life #koohl

Get new

Novelty day- I clear loyalty, a new strangeness in air, occurrence
everything new get it new get at least one trait
noh Yeah you'll do great I'm feeling new

Death lay-get eveah thing end but not your type you're what you're
just burn the old memories and but keep it in time don't annihilate it

Coohl you're great the Prince is in my hands

Hah! The last laugh

In name of death and life of people

And last thought spend more
everytime
